CONCRETE CUTTING CHAIN

MZ3 CONCRETE CUTTING CHAIN

The MZ3 Chain is the latest generation of concrete cutting chains from MaxCut. This chain has evolved from our earlier MC3 and MX3 chain platforms. This 3rd generation chain offers improved durability which translates to less stretch than earlier versions of our chain.

KEY FEATURES

- Efficiently cuts concrete, brick, decorative stone
- Revolutionary Crown shaped segments designed to expose the diamonds for faster initial cutting
- Segments on every link for lower vibration and smooth cutting
- Automated laser welding process to ensure consistent quality
- Bumper protection
- 0.456" Pitch
- Available in 2 segment options (Speed & Life)

RE-ENGINEERED

- Selection of more robust alloy
- Specialized surface treatment
- Tightened production tolerances
